AGENDA TITLE: Adopt Resolution Awarding the Annual Contract for Curb, Gutter and Sidewalk Replacement to Jeff Case Construction (\$69,050)

MEETING DATE: July 6, 2005

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a Resolution awarding the annual contract for curb, gutter and sidewalk replacement to Jeff Case Construction of Lodi, in the amount of \$69,050.

BACKGROUND INFORMATION: The curb, gutter and sidewalk replacement is an annual contract administered by the Street Division for miscellaneous concrete work, as needed during the course of the year and guided by the Sidewalk Replacement Program. The work could include new sidewalks as part of the City's installation program, replacement work resulting from maintenance projects, repair of defective concrete, and repairs of utility work. The contract includes a wide range of work items and unit prices for each. In addition, the prices would be made available to property owners who wish to have work in the public right-of-way done by the City's contractor. Bid packets were sent to three local contractors. Jeff Case Construction was the only contractor to submit a bid and it is within the Engineer's estimate. The specifications are on file in the Public Works Department at the Municipal Service Center.

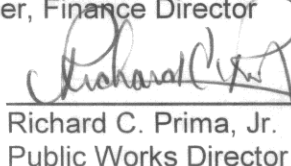

FISCAL IMPACT: This contract reduces the risk of liability and improves pedestrian mobility in the City.

FUNDING AVAILABLE: The money for this material will be coming from the Street Operating Budget; comprised of Gas Tax and General Fund monies in the proposed 2005/2006 budget, as well as TDA Funds for Streets, Bike, and Pedestrian routes.

Budgeted Fund: \$25,000 Operating
\$50,000 TDA Funds
Project Estimate: \$75,000

Bid Opening Date: June 22, 2005
